Dear ACC Campership Concert Committee,

On behalf of the Scholarship Committee for Greene Family Camp, we would like to thank the ACC for your work in raising money this year to help send more campers to our camp. We received a record number of scholarship applications this year and the ACC money will truly make a difference to several of our campers. As you know, having our children attend a Jewish summer camp is a primary way of ensuring Jewish continuity. Thank you again for your assistance in this endeavor.

Regards,

Phil Kolovson
