The Jewish Community of Melbourne, numbering approximately 60,000 people, boasts a richness and diversity that are the envy of much larger communities elsewhere. The full spectrum of Jewish life is represented here, from the secular to the ultra-Orthodox, from the Bund to Chabad. There are seven Jewish day-schools, two major Jewish museums, a community library and much more.

Our cantorial intern will live in Melbourne, a cosmopolitan city of over 3 million people, with great coffee, amazing dining and plenty to see and do both in the city environs and in the surrounding countryside. We aim to provide a good balance between work commitments and free time, reflecting the calmer pace of life in Australia.
