

## **Strengthen Your Pastoral Presence. Clinical Pastoral Education (CPE) for Current Jewish Clergy**

You carry the sacred work of pastoral care, teaching, and leadership in a complex and demanding time. A unit of Clinical Pastoral Education (CPE) at AJRCA offers a structured opportunity to reflect and refine skills while remaining rooted in Jewish tradition and practice.

### **Our CPE students**

- ❖ **Gain** practical tools for assessing and responding to spiritually complicated moments
- ❖ **Expand** intercultural and interfaith competence
- ❖ **Enhance** leadership in congregational, chaplaincy, and communal roles
- ❖ **Deepen** self-awareness and emotional health

*CPE has given me the emotional and spiritual tools to translate my training and education into authentic connection with both congregants and colleagues. In countless ways, CPE fuels my day-to-day interactions.* Rabbi Cantor Elizabeth Bat Sarah

**Professional development that honors your cantorial or rabbinic formation and experience.**
