Anything

You don't have to know all the answers —
we're here to help.

I know retirement planning and investing can seem daunting. But you don't have to know all the answers. That's what I'm here for — to help you plan for your future, and work with you to make the important financial decisions that'll get you on track for retirement.

I'm Ross Hoskins, a licensed financial professional with Fidelity, and I've been helping people plan for their financial futures for over 15 years. As part of your retirement benefits through the American Conference of Cantors, you can meet with me whenever you want, and as often as you'd like. It's completely complimentary, and you can ask me anything. Really!

Want to know more? You can get answers to some of your questions at **Fidelity.com/ask**.

When you'd like to talk, I'm happy to meet in person or over the phone — whatever works best for you. Call **800-642-7131** when you are ready, or schedule a consultation online at **getguidance.fidelity.com**.

I look forward to meeting you!

Ross Hoskins, CRPC®, Retirement Planner

Investing involves risk, including risk of loss.
