

What Me Retire?

**ACC Virtual Convention
June 30, 2020**

**Cantor Gail Hirschenfang
Cantor Janice Rogers
Dr. Michael Freidman**

We are pleased that you have registered to attend this session about preparing for retirement during the upcoming ACC Convention! Given the virtual format of this year's convention and the limited time for this session, we wanted to give you a brief preview of the program and invite your input beforehand.

This session will focus on non-financial aspects of planning for your retirement and will highlight the following considerations:

- A. Who to involve in your planning
- B. Retirement contracts
- C. To what will you be retiring

We will address both internal and external resources as you prepare for this most significant transition.

Given the limited time for this session, we will have very opportunity, if any, time for Q&A. Therefore, we invite you to send us any questions you have or issues that you hope will be included in this session in advance. We will address them all either during or after the session. Please send your questions/requests to
